

LV cast aluminum junction box

LV cast aluminum junction box

Description: Cast aluminum junction box

Color: RAL7001

Seal: EPDM

Protection class: IP66 / IP67

Impact resistance: IK08

Cover screw material: stainless steel

Applicable temperature: -50 °C ~ 140 °C (short-term), - 50 °C ~ 80 °C (long-term)

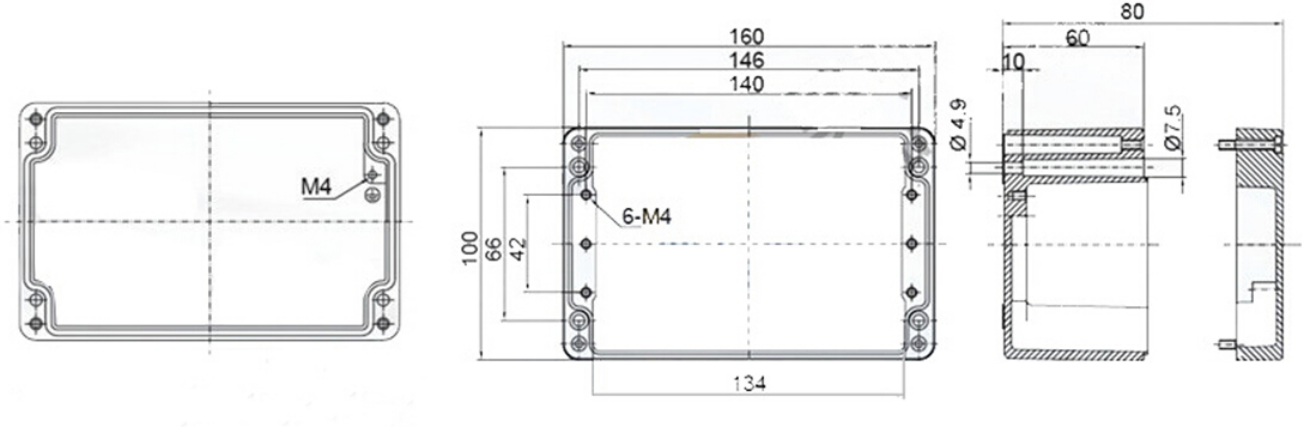

Application: Widely used in solar energy, wind power, nuclear energy, metallurgy, railway locomotive, aerospace, automobile, shipbuilding, electricity, petrochemical, sewage treatment and other fields.

Junction box cast aluminum junction box

Specification

			
Item No	size (mm)	Wall mounting dimensions	Screw
LV-1	80*75*57	52*63	M4
LV-2	80*125*57	52*113	M4
LV-3	80*175*57	52*163	M4
LV-4	100*100*80	52*238	M4
LV-5	100*160*80	66*86	M4
LV-6	80*250*57	66*146	M4
LV-7	120*122*80	82*106	M6
LV-8	120*220*90	82*204	M6
LV-9	140*220*80	100*204	M6
LV-10	160*160*90	110*140	M6
LV-11	160*260*90	110*240	M6
LV-12	190*360*90	110*340	M6
LV-13	180*280*100	130*260	M6
LV-14	230*200*110	180*180	M6

LV-15	230*280*110	180*260	M6
LV-16	230*330*110	180*310	M6
LV-17	230*330*180	180*310	M6
LV-18	230*400*110	180*380	M6
LV-19	313*402*110	262*382.5	M6
LV-20	230*600*130	180*580	M6
LV-21	313*404*140	262*382.5	M6
